

WORKSHOP ON PHARMACOGENOMICS AND PERSONALIZED MEDICINE
CHRISTIAN MEDICAL COLLEGE, VELLORE
10TH – 13TH SEPTEMBER 2019

Applications are invited to attend a 4-day Workshop on Pharmacogenomics and Personalized Medicine from 10th-13th September 2019 sponsored by Indian Council of Medical Research (ICMR) as part of the Centre for Advanced Research in Clinical Pharmacology research support to Department of Haematology, Christian Medical College- Vellore. This will include hands on training in basic molecular biology techniques and its application to pharmacogenomics with lectures on the theory and basic practical aspects of molecular biology, pharmacogenomics and bioinformatics.

Eligibility: M. D in Clinical Pharmacology, M. Pharm, M. Tech Pharmaceutical Sciences or Ph. D in Lifesciences related to Pharmaceutical Sciences.

A maximum of ten participants will be enrolled for the course. Submit your application along with the statement of purpose to haematcme@cmcvellore.ac.in on or before 15th July 2019. The list of selected candidates will be declared by 30th July 2019. Selected candidates will have to confirm their participation by 15th Aug 2019 through submission of a Demand Draft for Rs.3000/- drawn in favour of “The Treasurer, CMC Vellore”. Outstation participants may be provided with shared accommodation. Travel will have to be arranged by the candidates.

Please feel free to contact us, if you have any clarifications.

Thank you

With best wishes

Dr. Poonkuzhali Balasubramanian & Dr. Eunice Sindhuvi
